DripID® and SneakerDoodle™ are trademarks of inventor Mat Grell

DripID

An absorbent mat that is placed under your car to catch vehicle fluid drips. The mat is stenciled with areas or zones corresponding to the mechanical systems of your car. For example, radiator, transmission, power steering, and motor systems of your car, which upon dripping on their designated stenciled zone of the mat identify the system leaking. Patent No. 7,017,400.

SneakerDoodle

A youth product line of canvas or white sneakers accompanied by a set of markers, crayons, stencils, stamps, and/or a rivet tool with charms, or Sneaker Doodle™ supplies may be sold separately as a kit. Sneaker Doodle™ is an art kit that allows youth to personalize his/her canvas or white sneakers with color and graphics.
